VOLUME XX--NO. 130

CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, WEDNESDAY, NOV. 5, 1919

TWO CENT

Duvall, Newton, Repman and Carson Are Chosen As Councilmen

CANDIDATES ENDORSED BY THE CIVIC LEAGUE WERE ELECTED

Duvall Also a Winner in Big Vote Polled in Borough

REPUBLICAN MAJORITY LARGE

Election day passed very quietly in Charleroi, although there were high spots in the contest which served to bring out a good vote. Interest centered in the fight for Council, School Directors and Constable, and the returns on these offices were eagerly awaited last night after the polls were closed.

The Civic League took its first trial at local politics, and all of the candidates endorsed by this organization were successful at the polls. For Council Messrs Duvall, Repman, and Newton won the four year terms, while Carson was successful for the two-year term. All but Duvall of these four were endorsed by the League.

For Constable the contest between Corey and Davis was warmly waged throughout the day, and when the final returns were computed it showed that Corey had won over his opponent by a majority of 116.

For School Director, the two candidates endorsed by the Civic League, Lee Shouwers and Dr. Faddis were chosen. This will be Mr. Shouwers' first full term, while it is a re-election for Dr. Faddis.

On the county ticket there was no fight, and all of the Republican candidates, as will be seen by the tabulated returns in another column, carried the borough by large majorities. The borough officers elected yesterday will take up their new positions on the first Monday of next January. At that time the new council will organize and the members of the school board elected will be sworn into office.

SAFE ROBBED AT MONACK BROTHERS

The office of Monack Brothers, wholesale fruit and produce dealers at the corner of McKean avenue and Eighth street, was entered by burglars some time last night. The safe was forced open and the thieves got about \$4 in change which had been left in one of the inside compartments. The outside door of the safe was not locked, but the inside door was. By the use of tools the inside door was removed, but the robbers got very little for their trouble. The wareroom of the firm was also entered Sunday night and some fruit taken. The police were notified and an investigation is now under way.

COMPOSITION OF NEXT COUNCIL

The next borough council of Charleroi will be composed of Messrs. Brand, Moody and VanVoorhis, holding over, and Duvall, Newton, Repman and Carson. Messrs. Swickey and Hein will retire while Lentz resigned some time ago. The new council will meet for organization the first Monday in January.

NO CHANGE IN THE STATUS OF THE LOCAL COAL SITUATION

"WETS" WERE ROUTED IN OHIO ELECTION

Returns from Ohio indicate that the "drys" were successful in the referendum vote by at least 75,000 majority. This will settle the prohibition question in Ohio, as by a decision of the Ohio State Supreme Court the action of the legislature had to be passed upon by the people. They have evidently spoken in a most decisive manner.

ENTIRE REPUBLICAN TICKET IS ELECTED

The entire Republican county ticket was elected on Tuesday by majorities ranging from 5,000 to 7,000. President Wilson wants the John Aiken, former Lieutenant Colonel of the 110th Infantry, will lead is discontinued, while President the ticket with a majority of at least Brewster of the operators' association, 7,000 over McCollum, who was not elected, says they are ready to enter on official ballot, but who was voted, negotiations if the men return to by stickers. There was no real opposition to any member of the ticket, and apparently there was little cutting done. Interest centers chiefly applies to Fayette county particularly at the present time in the choice of larry. The M. C. Frick Coke company, the Democratic member of the pany is operating at full capacity, Board of Commissioners. The fight and practically all of the product is between Barnum and Ecker may be going to the Steel Corporation needs. These contests, together with the both yesterday and today, showing fight for orphans' court judge, furnished the high spots in the election.

Miss Helen Phillips and brother Herman were week end guests with Mr and Mrs. William Faulks. of Lock Four.

Mines in Fayette County Continue to Operate at Capacity

ALL QUIET IN THIS SECTION

Apparently there is no change in the aspect of the coal miners' strike at the present time, although it is possible that some common ground will be found before long upon which all parties can stand to confer over the situation. Acting President Lewis of the Miners' Union says that if the restraining order is withdrawn the miners stand ready to open negotiations with the operators on the basis of a 100 day strike called off before the injunction of the 110th Infantry will lead is discontinued, while President the ticket with a majority of at least Brewster of the operators' association, 7,000 over McCollum, who was not elected, says they are ready to enter on official ballot, but who was voted, negotiations if the men return to by stickers. There was no real position to any member of the ticket, and apparently there was little cutting done. Interest centers chiefly applies to Fayette county particularly at the present time in the choice of larry. The M. C. Frick Coke company, the Democratic member of the pany is operating at full capacity, Board of Commissioners. The fight and practically all of the product is between Barnum and Ecker may be going to the Steel Corporation needs. These contests, together with the both yesterday and today, showing fight for orphans' court judge, furnished the high spots in the election.

ENTERTAINED FOR HER YOUNG FRIENDS

Miss Helen Reeves entertained for the members of the "Just-for-Fun" club at her home, Lock Four, last Friday evening. Six members of the club and six friends were present at the festivities and the young people had a very delightful time. Halcyon decorations featured the evening, while masquerade costumes gave a delightful touch to the affair. Games and music furnished diversion, and at the conclusion of this program the mother of the bride, hostess served refreshments. Guests were present from Belle Vernon and Charleroi.

THE GREATER RESPONSIBILITY

Speaking in the course of Senate discussion of the coal strike situation Senator France of Maryland called attention to the fact that the existing situation has not been created entirely by the miners but has been created in part at least "by lack of administrative capacity on part of certain agencies of the Government." Senator France referred especially to the shortcomings of the railroad administration which for months has failed to furnish enough cars to the mines and thus has seriously curtailed the production of coal. The obvious effect of the lack of cars has been both a coal shortage and reduced work and reduced pay for the miners.

After putting into the record data to show that not enough coal cars had been provided by the railroad administration and to show that mines were unable to operate owing to a shortage of cars. Senator France pointed out that this was not the fault of the miners. He declared the mines had been stopped from working to capacity "because of the incompetence of a railroad administration which had not furnished the cars."

Senator France made it plain that he believed an impartial view of the coal situation could not overlook the fact that much blame was to be attached to the failure of the railroad administration to keep coal cars in repair and to supply the mines through last spring and this summer with sufficient cars.

"Certainly, so far as the supply of coal cars to the mines is concerned, the Administration has failed," said Senator France.

CAN RECOVER

LOST BAGGAGE

The Charleroi Chapter of the American Red Cross is in receipt of a circular letter from the Pennsylvania-Delaware Division headquarters, calling attention to the lost baggage of American soldiers who served in France. The circular says:

There are at present approximately 150,000 pieces of lost baggage belonging to members of the A. E. F. on the Government Docks at Hoboken, N. J., made up of 20,000 trunk lockers, 15,000 bed-rolls, 5,000 suit cases, and 110,000 barrack bags which have come from overseas and remain unclaimed by their owners.

Much of this baggage is marked with names only and cannot be forwarded to the owners. In all cases a new shipping address is required. All owners of lost baggage should forward their claims and present addresses to the Lost Baggage Branch, Pier No. 2, Hoboken, N. J., with an accurate description of the missing property.

A complete card index permits prompt identification and the baggage will be forwarded by express at Government expense if on hand at Hoboken.

The Red Cross desires to assist each man from overseas to recover his lost property as well as to help the Government to dispose of this enormous accumulation.

If there are any soldiers in Charleroi who served overseas and who lost their baggage on the way home may learn something to their advantage by making inquiry of the address given above.

Beginning November 1, the price of milk in Washington customers was placed at 7 cents per quart, and 9 cents a pint. The people are very much interested over this increase, but they will have to pay it, if they wish the deliveries. However, there are others who will not pay it, but will take to the canneries pay it, which is cheaper. Those near the Carothers Dairy farm will be able to get their milk however for 25 cents per quart. In the meantime Charleroi continues to pay 18 cents per quart, so where does Washington's kick come in.

TENDER RECEPTION TO NEW PASTOR

A reception was tendered to Rev. E. H. Greenlee, the new pastor of the First Methodist Episcopal church, and his wife, by the congregation of the church, Tuesday evening. The reception and social was held in the Sunday school room of the church, and was under the direction of the Ladies Aid Society, with Mrs. Terwilliger as the presiding officer. After an opening prayer by the Rev. John R. Burson, pastor of the Washington Avenue Presbyterian church, a short program was given, the opening number being a piano solo, followed by a reading by Miss Felicie Bosson, and addresses of welcome on the part of visiting pastors, Rev. Huffer of the Christian church, Rev. Keller of the First Presbyterian church, Rev. Bressler pastor of the Lutheran church, and Rev. Burson of the Washington Avenue Presbyterian church. Rev. Greenlee made a fitting response, which concluded the program, after which refreshments were served by the ladies and a social followed.

LOCAL LEGION WILL SEND TWO DELEGATES

The monthly meeting of the Charleroi Post Number 22 of the American Legion last evening voted to send two delegates to the National Convention of the Legion to be held in Minneapolis next week; Edwin Patton and Earl Wagner being delegates selected at the State Convention. Both are members of the Charleroi Post.

The local Post has been one of the leaders in the State and their influence has been recognized as was shown by the fact that both the Charleroi delegates were elected at the State Convention as delegates to represent the state of Pennsylvania at the National Convention.

The members at the meeting last night instructed their delegates to the National Convention to bring before the Convention two matters of interest to some of the Charleroi members.

There has been difference of opinion as to the qualifications for membership. The State Constitution apparently requires the applicant to have been a citizen of the United States both at the time of his enlistment in the Army and at the time of his application for membership while the Act of Congress granting the American Legion a charter only requires the applicant to be a citizen at the time of his application for membership.

Another matter to be brought before the National Convention is to have the Insurance money paid to relatives of the deceased soldiers when the Government is unable to locate the beneficiary named after a definite length of time.

On Armistice Day, November 11, the Legion is going to have a football game at the baseball park between Charleroi and some strong independent aggregation. There are a number of former college and independent football players in this district and the best possible talent will be secured for this game. A large attendance is anticipated.

Sunday November the ninth has been designated as the American Legion Sunday and also Armistice Sunday. The Legion urges every former service man to attend church next Sunday and requests the churches to observe the day by appropriate services.

Mr. and Mrs. Leopold Leclercq have left for Europe where they will spend several months visiting relatives.

RED CROSS WORK NOW UNDER WAY

The Red Cross Roll Call is now under way in Charleroi, solicitors being put to work this morning for the purpose of securing a renewal of memberships in the Red Cross, as well as renewals for the Red Cross Magazine. Also a large number of posters have been distributed among the various stores and business houses in town, and the Chairman of the Roll Call earnestly requests that these posters be displayed in the windows until the 11th of the month. In this way the campaign will be brought to the attention of the public in a more direct manner and the work of the solicitors made more easy. The committee points out that the Red Cross has a wonderful work to do. Not only for the civilians, but for the thousands of men yet in the army and in the hospitals. The Charleroi Chapter has made a splendid record in the past, and the officers are desirous of maintaining this high standard in the future.

There's a Reason

Do You Remember—November 11
that day last year when we all went wild—threw our hats in the air, rang the bells and blew the whistles in sheer delight because the signing of the armistice meant the end of the war?
It was the end of a period of destruction during which we "went without," that production might center on materials for war.
On the anniversary of Armistice Day, November 11, let all Americans pledge themselves to work together and stop waste. Only in this way can we make up the years of lost production and again know peace with plenty.

Outfitting The Boy FOR THE WINTER

is a question that generally presents itself to fathers and mothers at this season of the year, but it is of more importance this year than ever for there are so many clothes of shoddy.

A boy's suit must be all wool to give service and no other sort of clothing can possibly find its way into our Boys' Clothing Department. You'll find some plain shades, such as brown, gray and blue, as well as some good mixtures that will appeal to the little fellow and the prices will appeal to father. The models are waist seam, full belted, back belt or plain.

then there's shirts

waists, ties, collars, caps, hats, underwear, stockings, sweaters and mackinaws--all to be had at this one store and all correct as to quality and price.

Our extensive assortments are always sure to give more satisfaction than the place where selections are limited by extensiveness of stocks.

IS TOLD OF VERY

REMARKABLE CASE

Plant Juice, the new-herbal system tonic, is a purifying and a vitalizing agent. It corrects local disorders of the stomach, which is being demonstrated daily and verified by well known local people in signed statements.

For instance, Mr. William E. Cress, who resides at No. 198 Merrimac Street, Mount Washington, was born and raised in Pittsburgh, and is a trusted employee of the largest furniture company in this city, stated:

"I have suffered with chronic constipation for years. My stomach was also affected, and my food fermented and caused gas, which gave me great distress. I was nervous and restless and could not sleep at night and felt all worn out in the morning and totally unfit for work. Every medicine I tried failed to relieve me and I felt so discouraged I did not know what to do. Finally I heard of Plant Juice and began to take it. I felt relieved from the first dose and have certainly gotten splendid results from it, as it has completely relieved my constipation, toned my stomach up in fine condition, I sleep well and my general health is fine. I will be glad to recommend Plant Juice."

Plant Juice is a vegetable tonic extracted from the roots, herbs, barks and berries of numerous medicinal plants. It is nature's own remedy and works wonders. It gives almost immediate benefit and it leads to permanent relief in practically every case where people suffer as above outlined.

Plant Juice is sold in Charleroi at Henning's Drug Store.

WOMEN AT WORK

During the war, millions of women have been at work in vocations, into which they have never before been called--in Munition Factories, Chemical Works, Metal Works, Street Railways and as Ambulance Drivers, Barbers and Elevator Girls. Undoubtedly thousands of others have longed to serve in this way, but because of female ailments, which had fastened upon them, were not able to do so. Women in this condition should give Lydia E. Pinkham's Vegetable Compound a trial and find health and strength, as thousands of others have so done.

DONORA'S CONTEST WAS FOR CONSTABLE

One of the most interesting fights in the valley took place at Donora on Tuesday in the election for Constable. At the primary election "Piper" Magie was nominated over Charles Titus, the present incumbent. However, Titus' name was placed on the ticket as the Democratic candidate and he accepted the nomination. The contest was intense all the way, the strike situation entering into the controversy, and the outcome was awaited with interest. Over 1,000 votes were polled, three hundred more than at the primaries in September and the largest vote ever cast in Donora. The official votes shows that Titus won over Magie by 88 votes. The entire Republican ticket won handily in the big borough while the vote on orphans' court judge was close.

HAD TROUBLE IN DELIVERING BALLOTS

William G. Nease of Washington, who had the contract for delivery of the ballots for the election on Tuesday had considerable trouble in carrying out his contract. On account of the heavy rains last week the roads in many sections of the county were almost impassable and several times on Saturday and Sunday Mr. Nease had to be pulled out of mud holes. By working overtime he was able to deliver all of the ballots to the judges of the various precincts of the county in time for the opening of election on Tuesday morning.

DEMOCRATS ELECT MONONGAHELA MAYOR

Monongahela had a warm fight for Mayor on Tuesday in which the Democratic candidate, W. A. Allen, backed by a large number of dissatisfied Republicans, won over Charles Young, by a minority of 81. Young was nominated at the September primaries in a four cornered fight, winning out by a few votes over his leading opponent. His nomination created a great deal of dissatisfaction in the Republican ranks, and Republicans openly bolted his candidacy. As a result Allen won the election. All the other members of the Republican ticket were successful by very comfortable majorities.

HUGHES IS CHOSEN ORPHANS' COURT JUDGE

Returns indicate that Haldain B. Hughes has been elected Judge of the newly created Orphans' Court of Washington county, by a very decisive majority. He carried Washington, Canonsburg, Charleroi and Monongahela, while he was particularly strong in the rural districts. Judge Hughes will take his seat on the first Monday in January and will be the first Orphans' Court Judge of the county, the office having been created by the last session of the legislature. He will also sit in the other courts as needed.

COOLIDGE WINS BY A DECISIVE MAJORITY

In Massachusetts Governor Coolidge won the fight for re-election by a majority over Long, Democrat, of possibly 150,000. The recent police strike in Boston was an issue, in which the people supported the position taken by Governor Coolidge, when he said that "there is no right to strike against public safety by anybody, anywhere, at any time."

I. D. K. CLUB HOLDS ENJOYABLE MEETING

The I. D. K. Club met Tuesday evening with Miss Bema Padovani as hostess. The evening was pleasantly spent in sewing and social chatter, after which a musical program was enjoyed. Solos were rendered by Misses Tressa Martinet and Stella Giamati. At a late hour dainty refreshments were served by the hostess, assisted by Mrs. Frank Riva. The next meeting will be held next Tuesday evening with Miss Martinet.

VAN VOORHIS SCHOOL DESTROYED BY FIRE

The VanVoorhis school house, in
Fallowfield township, was completely
destroyed by fire Tuesday afternoon.
The building was a two-story frame
structure, capable of accommodating
about 250 children, and at least that
many pupils were in the building
when the flames were discovered. Of
this number about 100 were on the
second floor, but all of them escaped
without injury. The fire originated
in the furnace room, under the stair-
way, and the community being without
fire protection, the building was soon
consumed. The Donora fire depart-
ment was summoned, but before it
could reach the place the building was
destroyed. The loss will be about
\$15,000. The members of the school
board, Messrs. Charles Williams, J.
D. Jones, J. B. Duvall, Joseph Ander-
son and Kirk McCracken, met in Char-
leroi this morning to take steps look-
ing toward rebuilding the structure.
Temporary quarters will be secured
for the schools if possible, that the
sessions may be continued with as
little interruption as possible.

Will Nuxated Iron Help Men Of Today Gain Strength And Endurance Like Athletes of Old?

Physician Says "Yes"—Cites Case of

Jack Dempsey, Heavyweight Champion of the World
SUPERMAN OF THE AGE

Who Used
Nuxated Iron
as a Part of
the Training
Which Gave
Him Such
Marvelous
Physical De-
velopment that
He Was Able To Whip The
Mighty Jess Willard—

To every man who lacks physical
strength and energy there comes a longing
at times to possess the power and endur-
ance of an athlete, yet they go on strug-
gling through life weak, nervous and run-
down, when in reality their trouble may be
nothing more than lack of sufficient iron in
the blood.

Had they not kept their blood rich in
iron the athletes of old might never have
achieved such fame, is the opinion of Dr.
James Francis Sullivan, formerly physician
of Bellevue Hospital (Outdoor Dept.), New
York, and the Westchester County Hospi-
tal, who believes that modern men who
are fagged out by worry, work and other
strains might readily build up their strength,
energy and endurance by increasing the
supply of iron in their blood.

As an example of the superb physical
condition that may be obtained by a man of
today who follows proper methods of living
and who keeps his blood filled with strength-
giving iron, Dr. Sullivan cites the case of
Jack Dempsey, who used Nuxated Iron as a
part of the training which gave him such
marvelous development that he is now regar-
ded as the Superman of the Age and per-
haps the superior of any famous athlete of
ancient times. In connection with his use of
Nuxated Iron, Dempsey says: "Nuxated
Iron perched power behind my punches and
helped me to accomplish what I did at To-
ledo. From the results in my own case,
where the possession of super endurance is
necessary, I feel that I am in a position to
strongly recommend Nuxated Iron to every
man and woman who wants to build greater
strength, energy and power."

The coarse foods and rigorous methods of living practised in
ancient times made rich red blood for the men whose feats of
strength and endurance won fame for them through the ages.
Today modern methods of cookery extract much of the natural iron
from our blood and this, coupled with the more rapid pace at which
we live, make it necessary in our present age to supply the iron
deficiency thus caused by taking some form of organic iron—
Nuxated Iron—so as to build up a race of sturdy, red-blooded men.

up the system and increasing the red blood
corpuscles, thereby enriching and fortifying
the blood against the ravages of disease.
If you are not strong or well you owe it
to yourself to make the following test: See
how long you can work or how far you
can walk without becoming tired. Next
take two five-grain tablets of Nuxated Iron
three times per day, after meals, for two
weeks. Then test your strength again
and see for yourself how much you have
gained. Many an athlete or prize fighter
has won the day simply because he knew the
secret of great strength and endurance, which
comes from having plenty of iron in the blood,
while many another has gone down to im-
glorious defeat simply for lack of iron.
Nuxated Iron, a secret remedy, is not a
secret remedy, it is a well known fact that
iron is essential to life. Unlike a secret
remedy, Nuxated Iron is easily assimilated,
does not injure the teeth, make them black
nor upset the stomach. The manufacturers
guarantee successful and speedy re-
sults to every purchaser or they will
refund your money. It is dispensed in this city by all good
druggists.
